

The following was in my e-mail box on August 4, 2011: Something very big will happen in America within the next 180 days. It will be more devastating than the credit crisis of 2008. For most people it will hit them like a brick wall. It will touch Americans harder and deeper than anything else we've seen since the Great Depression. Michael Lombardi feels so strongly about this, he's decided to present his "Critical Warning Number Six" in a new video. In case you're not familiar with him, he has been widely recognized as predicting five major economic events over the past ten years.

It's obvious by now that his timing was off. But now people are wondering what is going to happen on Dec. 21, or even if they should buy Christmas presents! Well, let me assure you, the world is not going to end! We may be entering into a new age. In Matt. 13:24-29 it tells about this, and it's explained in 36-43. Most Bibles say this is the end of the world (vss. 39-40), but the Greek word here is *age*, not *world*. I talk about this more in my brochure, Rapture I. Daniel 2 also describes entering into a new age.

In 1989 Bob Jones of Morning Star ministries spoke of a great earthquake in Japan that would signify the beginning of an economic meltdown. Bob Jones prophesied the San Francisco quake in 1989 and another in southern California

(January 17, 1994). But at the same time, he prophesied that a very large quake would hit Japan that would be the sign of a soon-coming world economic meltdown. When the quake hit Kobe Japan on Jan. 17, 1995, Bob Jones said that was NOT the big one that he had foreseen. But today he confirms that last week's quake in Japan WAS the one that he had seen.

It would take up too much space in this little folder to explain how that quake could cause a world economic meltdown. However, if you want to read more, you can Google key words or names which I've given here.

John Fenn, of Supernaturalhousechurch.org sent this prophecy update to his followers on Oct. 1, 2011: "Last Saturday, Vladimir Putin announced he was again running for President of Russia next year. Long time readers will recall this is something the Lord told me in a visitation a couple of years ago ~ that Putin would once again become President and when that happened, watch out. He didn't define 'watch out' at that time, but since then when I asked Him about it, he said, '**In those days the world will enter into great darkness and great light.**' Obviously, the light is what God is doing, and the darkness usually means persecution and other difficulties."

So the first two entries here were what is going to happen in the darkness. We are children of the light (Eph. 5:8) and as such, we have God's promises of peace, provision and protection! Seeking God as first priority in one's life is the first step to getting these things to happen. (Matt. 6:33) See brochure, *No money*.

Isaiah 60:1-2, "Arise, shine, for thy light has come, and the glory of the Lord has risen upon thee. For behold, the darkness shall cover the people, and gross darkness the people, but the Lord shall rise upon thee and His glory shall be seen upon thee."

Dr. Creflo Dollar of World-Changers Ministries said in a televised sermon in the early part of Nov. 2011, "I'm warning you! A separation is coming! You're going to know who's really believing (God) and who just says they believe. Big changes are coming!"

Kenneth Copeland heard the word of the Lord on Nov. 10, 2011. He said, "2012 is a year of surprises. Some surprises will shake people up... but for those who are listening to my voice, those who have made themselves available to my Spirit and to my word, you'll have surprises. Oh, not like the world and not like a lot of carnal-minded Christians. Your surprises will come as suddenlies ... It's going to be a year of great joy... marvelous

breakthroughs. This is a time of victory!... Have no worry, have no fear about the United States of America... This is not the time for this nation to fall. I'm not done with it yet.

"... We have a job to do, and this year will be a year like none other where this nation is concerned. This is a time of greatness. America again! It's my nation and it's God's nation and we're right where we're supposed to be... Our future is bright because God is still Lord over the United States of America.... There's an atmosphere conducive to miracles that's been growing and growing, and will manifest greatly in the first quarter of 2012 and will continue into 2013. I've been looking forward to 2012," saith the Lord. "I know how it's going to turn out!! ... Rejoice for your time has come!"

Dr. Billye Brim prophesied on July 25, 2010 and what follows are sentences from that prophecy: "You are on the brink of the most wondrous days that have ever been!" "... You shall see on the Body of Christ the anointing come, the anointing of the Glorious One. And on in glory and in power you are going to finish this out. It's your finest hour!" "It is not you that is being shaken, it's darkness. You have received a kingdom that cannot be shaken." (Heb. 12:26-28) "And though all around others might see darkness, but not you. You'll see Me. Hah! You'll get

another breath, you'll get another pick-up even in your body, my very Queen. So rejoice and be exceeding glad for days of rejoicing!"

On Jan. 4, 2009, Dr. Creflo Dollar had this prophecy. These are a few lines from it: "I have allowed you to be born for a time such as this. ... I am going to show through you signs and wonders that have not been seen for a while.... I will show others around you that you are My children and you are Mine. ... Understand that no matter what you are in, I am going to bring you through. For these are the days I have ordained. Walk in faithfulness and rejoice always. I will not be defeated by the wickedness of this time.... Praise in the midst of wickedness and watch Me show out. I am about to show out!" "Walk in ease in these last days, walk in ease and what you see, **do not be dismayed**. Walk in ease and find rest. I promise you in this time you will see My best!"
